

BROUGHTON TABLE

The Broughton Handmade Table is manufactured to the highest standards in solid wood and has beautiful hand turned legs, carved scrolls and leg plates with a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. This classic design of table was originally from the Victorian / Edwardian period and would add elegance to any interior. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
