

MARITI TABLE

The Handmade Mariti Table is beautifully crafted to the highest standards in solid wood, with a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. This design of table with turned and fluted legs was popular in the early 20th century and fits well in traditional and modern rooms alike, giving a simple but elegant style to a room. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
