

## NEWMAN TABLE

The traditional Newman Table is handmade to the highest standards. The table has large turned legs, carved scrolls and turned cushion buttons, a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. The table is available in a selection of woods to suit any home and to match other furniture. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
