

WALTON TABLE

The Handmade Walton Table is a stylish contemporary table manufactured in solid wood with a contrasting wood band around the legs and to the cushions. The straight bold lines of this table give a modern, simple look. The table is manufactured to the highest standards using a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. This table looks stunning in today's modern house. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
